

*Through meticulous research, experimentation, hard work and success,
We created a unique selection on brand new drinks.
All new concoctions are exclusive to Bar 10
and aim to both please your palate
and ignite your senses.*

This booklet embodies our passion and dedication in creating great drinks.

*Your experience at Bar 10 is of paramount importance to us.
If you don't find anything to tempt your taste buds, test our skills
on creating a drink tailored to you.*

*here at Bar 10 we use selected premium spirits and
the freshest ingredients source from local supplies
whenever possible.*

*We craft, blend and develop most of our product at the bar,
some of which may contain allergens.
Please ask if you have any questions regarding the ingredients
and please inform the staff if you have any allergies that may be
affected by a particular ingredient.
This way we can be sure that all the drinks only provide you
with the pleasurable experience that they are designed and
intended for.*
