

# COCKTAILS

№ 10

Welcome to Bar10, nestled in the heart of Lindley, where we proudly deliver excellent service, a warm atmosphere, and unforgettable memories since 2011.

With this booklet, we've renewed our passion and dedication to crafting exceptional drinks. The following cocktails are exclusive to Bar10 and are designed to delight your senses. If nothing tickles your tastebuds, let us put our skills to work and create a drink tailored just for you.

We develop and craft most of our ingredients right here at the bar. If you have any questions about our products, don't hesitate to ask.

If you have any allergies that may be affected by a particular ingredient, kindly inform the staff. This way, we can ensure that every drink delivers the pleasurable experience it's designed to provide.
